INFO GUIDE

ABOUT US

Warthen RV Park is a proud family owned and operated business. The owners Josh and Amber Gordy are Georgia natives and parents of two beautiful children. Josh, a retired NFL professional, acquired twenty plus acres of land in 2008 and Warthen RV Park was born shortly after !

We are located in Middle Georgia and we offer a quiet, remote location. Our walking trails, dedicated tent areas, and acres of open land to ride ATV's are a sight to see. Like to fish ? Local fishing is only a 10 minute drive from our grounds.

Warthen RV Park provides high quality service, a friendly professional staff that strive to provide exceptional customer service; activities and an overall comfortable relaxing experience. We also offer group rates. We recently upgraded the WiFi service and added slabs with custom picnic tables for your convenience. We offer nightly, weekly and monthly rates.
